<b>Call To Order</b>	Chairman Joe Hahne called the meeting to order. Self-introductions were made.	
<b>Approval of Minutes</b>	Diana Harris made the motion to approve the minutes and it was seconded by Nancy Johnson.	
<b>Behavioral Health Division Director's Report</b>	<p><b>Mark Stringer, Division Director</b></p> <ul style="list-style-type: none"> <li>• A bill has been submitted on the prescription drug monitoring. The hearing room had a variety of representation and discussion went well.</li> <li>• Mark spoke with Dr. Parks, state Medicaid Director-he wants to make some significant changes. One of the changes he would like to make is more physicians treating and addressing addiction.</li> <li>• Mark congratulated Christine McDonald on being selected as a Mental Health Champion.</li> <li>• Discussed the integration of the ADA/CPS SAC's. <ul style="list-style-type: none"> <li>○ More economical more efficient for staff</li> <li>○ The division integration has been a good thing. In years to come Mark believes there will be an integrated service system.</li> <li>○ There would still be chairs of each SAC and representation from both worlds.</li> <li>○ Proposals will be given to each council.</li> </ul> </li> <li>• Questions/Concerns <ul style="list-style-type: none"> <li>○ What is going to happen when the current leadership is gone?</li> <li>○ Will the charges of the SAC's still be recognized?</li> <li>○ Substance Use requires a unique discipline and equality.</li> <li>○ Recovery also needs to in the plan.</li> <li>○ There needs to be parity between providers.</li> <li>○ What integration really means.</li> <li>○ As big as the group was at the joint meeting and it may take some time to happen.</li> <li>○ The larger the group gets more may be lost.</li> <li>○ If the communities need to integrate care; wouldn't it be a good example for the SAC to do the same?</li> </ul> </li> </ul>	

Agenda	Discussion/Recommendation	Action
	<ul style="list-style-type: none"> <li>Natalie Fornelli-Manager of Integrated Care, reported that not enough co-occurring treatment happening with the providers. This is being looked at with a new assessment tool. Providers have been asked to participate in meetings around this. Workgroup consists of: Bridgeway, Rediscover, Places for People, and 2 more providers. (Agencies represent CSTAR, CSTAR/CPR and CPR.) Ladell asked if a recovery and faith based providers could be included.</li> </ul>	
<b>SATOP Block Grant Update</b>	<b>Mark Rembecki, Director of SATOP</b> <ul style="list-style-type: none"> <li>Provided the updates for the State Plan for SATOP.</li> <li>Shared the Workgroup Composition and purpose.</li> <li>The analysis of the workgroup is: public awareness of the program, data analysis, national trends and best practices, staff training and credentialing, intake screening of offenders, program placement procedures, curriculum and goals and outcomes.</li> <li>There is a training coming up in the near future.</li> <li>Lisa asked if there are individuals in recovery on the team. Joe asked if a SAC representative could participate in the training.</li> </ul>	
<b>Recovery Providers Update</b>	<b>Ladell Flowers, Executive Director of Dismas House</b> <ul style="list-style-type: none"> <li>First recovery conference was held at UCM, Warrensburg.</li> <li>A steering committee was organized and met in Jefferson City.</li> <li>The steering committee is partnering with MRN and will go to the Capitol.</li> </ul>	
<b>ATR IV</b>	<b>Mark Shields, ATR Project Director</b> <ul style="list-style-type: none"> <li>Mark is hopeful that Missouri will still be awarded the ATRIV funding.</li> <li>Discussed the data that is required for outcomes.</li> </ul>	
<b>Committee Workgroup Reports</b>	<b>Prevention Workgroup</b> <ul style="list-style-type: none"> <li>Showed the PSA that was played during the super bowl on heroin overdose</li> <li>Prescription Drug take back program-</li> <li>New signage for tobacco products. If you only own a vapor store these posters do not have to be posted.</li> <li>Susan Depue <ul style="list-style-type: none"> <li>Grant projects- responsible beverage server training compliance checks-if retailers are selling to under aged people. Counties and Percentages are as follows: <ul style="list-style-type: none"> <li>Butler County- 2 per month- passed 88% of time. They are also involving the Mexican restaurants and training their servers to ask for id.</li> <li>Boone County-70% of time which excludes Columbia Schools.</li> <li>Jefferson County-70% of time also.</li> </ul> </li> </ul> </li> <li>Susan applied for a \$1.6 million a year grant. Grant would cover prescription drug use. Will be done in Jefferson County &amp; Southern Missouri.</li> <li>There are still issues on the prescription drug take back around the cost of the program.</li> </ul>
